SPELLS KNOWN

---

## DANCING LIGHTS

*cantrip evocation*

**Casting Time:** 1 action

**Range:** 120 feet

**Target:** Four points within range

**Components:** V S M (A bit of phosphorus or wychwood, or a glowworm)

**Duration:** Concentration, Up to 1 minute

**Classes:** Artificer, Bard, Sorcerer, Wizard

You create up to four torch-sized lights within range, making them appear as torches, lanterns, or glowing orbs that hover in the air for the duration. You can also combine the four lights into one glowing vaguely humanoid form of Medium size. Whichever form you choose, each light sheds dim light in a 10-foot radius. As a bonus action on your turn, you can move the lights up to 60 feet to a new spot within range. A light must be within 20 feet of another light created by this spell, and a light winks out if it exceeds the spell's range.

---

---

## MAGE HAND

*cantrip conjuration*

**Casting Time:** 1 action

**Range:** 30 feet

**Target:** A point you choose within range

**Components:** V S

**Duration:** 1 minute

**Classes:** Artificer, Bard, Sorcerer, Warlock, Wizard

A spectral, floating hand appears at a point you choose within range. The hand lasts for the duration or until you dismiss it as an action. The hand vanishes if it is ever more than 30 feet away from you or if you cast this spell again.

You can use your action to control the hand. You can use the hand to manipulate an object, open an unlocked door or container, stow or retrieve an item from an open container, or pour the contents out of a vial. You can move the hand up to 30 feet each time you use it.

The hand can't attack, activate magic items, or carry more than 10 pounds.

---

---

## VICIOUS MOCKERY

*cantrip enchantment*

**Casting Time:** 1 action

**Range:** 60 feet

**Target:** A creature you can see and that can hear you within range

**Components:** V

**Duration:** Instantaneous

**Classes:** Bard

You unleash a string of insults laced with subtle enchantments at a creature you can see within range. If the target can hear you (though it need not understand you), it must succeed on a Wisdom saving throw or take 1d4 psychic damage and have disadvantage on the next attack roll it makes before the end of its next turn.

---

---

## CURE WOUNDS

*1st level evocation*

**Casting Time:** 1 action

**Range:** Touch

**Target:** A creature you touch

**Components:** V S

**Duration:** Instantaneous

**Classes:** Artificer, Bard, Cleric, Druid, Paladin, Ranger

A creature you touch regains a number of hit points equal to 1d8 + your spellcasting ability modifier. This spell has no effect on undead or constructs.

**At Higher Levels:** When you cast this spell using a spell slot of 2nd level or higher, the Healing increases by 1d8 for each slot level above 1st.

---

---

## DETECT MAGIC

*1st level divination (ritual)*

**Casting Time:** 1 action

**Range:** Self

**Target:** Self

**Components:** V S

**Duration:** Concentration, Up to 10 minutes

**Classes:** Artificer, Bard, Cleric, Druid, Paladin, Ranger, Sorcerer, Wizard

For the duration, you sense the presence of magic within 30 feet of you. If you sense magic in this way, you can use your action to see a faint aura around any visible creature or object in the area that bears magic, and you learn its school of magic, if any.

The spell can penetrate most barriers, but it is blocked by 1 foot of stone, 1 inch of common metal, a thin sheet of lead, or 3 feet of wood or dirt.

---

---

## HEROISM

*1st level enchantment*

**Casting Time:** 1 action

**Range:** Touch

**Target:** A willing creature you touch

**Components:** V S

**Duration:** Concentration, Up to 1 minute

**Classes:** Bard, Paladin

A willing creature you touch is imbued with bravery. Until the spell ends, the creature is immune to being frightened and gains temporary hit points equal to your spellcasting ability modifier at the start of each of its turns. When the spell ends, the target loses any remaining temporary hit points from this spell.

**At Higher Levels:** When you cast this spell using a spell slot of 2nd level or higher, you can target one additional creature for each slot level above 1st.

---

## HOLD PERSON

*2nd level enchantment*

**Casting Time:** 1 action

**Range:** 60 feet

**Target:** A humanoid that you can see within range

**Components:** V S M (A small, straight piece of iron)

**Duration:** Concentration, Up to 1 minute

**Classes:** Bard, Cleric, Druid, Sorcerer, Warlock, Wizard

Choose a humanoid that you can see within range. The target must succeed on a Wisdom saving throw or be paralyzed for the duration. At the end of each of its turns, the target can make another Wisdom saving throw. On a success, the spell ends on the target.

**At Higher Levels:** When you cast this spell using a spell slot of 3rd level or higher, you can target on additional humanoid for each slot level above 2nd. The humanoids must be within 30 feet of each other when you target them.

## INVISIBILITY

*2nd level illusion*

**Casting Time:** 1 action

**Range:** Touch

**Target:** A creature you touch

**Components:** V S M (An eyelash encased in gum arabic)

**Duration:** Concentration, Up to 1 hour

**Classes:** Artificer, Bard, Sorcerer, Warlock, Wizard

A creature you touch becomes invisible until the spell ends. Anything the target is wearing or carrying is invisible as long as it is on the target's person. The spell ends for a target that attacks or casts a spell.

**At Higher Levels:** When you cast this spell using a spell slot of 3rd level or higher, you can target one additional creature for each slot level above 2nd.

## KNOCK

*2nd level transmutation*

**Casting Time:** 1 action

**Range:** 60 feet

**Target:** An object that you can see within range

**Components:** V

**Duration:** Instantaneous

**Classes:** Bard, Sorcerer, Wizard

Choose an object that you can see within range. The object can be a door, a box, a chest, a set of manacles, a padlock, or another object that contains a mundane or magical means that prevents access.

A target that is held shut by a mundane lock or that is stuck or barred becomes unlocked, unstuck, or unbarred. If the object has multiple locks, only one of them is unlocked.

If you choose a target that is held shut with arcane lock, that spell is suppressed for 10 minutes, during which time the target can be opened and shut normally.

When you cast the spell, a loud knock, audible from as far away as 300 feet, emanates from the target object.

## DISPEL MAGIC

*3rd level abjuration*

**Casting Time:** 1 action

**Range:** 120 feet

**Target:** One creature, object, or magical effect within range

**Components:** V S

**Duration:** Instantaneous

**Classes:** Artificer, Bard, Cleric, Druid, Paladin, Sorcerer, Warlock, Wizard

Choose one creature, object, or magical effect within range. Any spell of 3rd level or lower on the target ends. For each spell of 4th level or higher on the target, make an ability check using your spellcasting ability. The DC equals 10 + the spell's level. On a successful check, the spell ends.

**At Higher Levels:** When you cast this spell using a spell slot of 4th level or higher, you automatically end the effects of a spell on the target if the spell's level is equal to or less than the level of the spell slot you used.

## STINKING CLOUD

*3rd level conjuration*

**Casting Time:** 1 action

**Range:** 90 feet

**Target:** A 20-foot-radius sphere centered on a point within range

**Components:** V S M (A rotten egg or several skunk cabbage leaves)

**Duration:** Concentration, Up to 1 minute

**Classes:** Bard, Sorcerer, Wizard

You create a 20-foot-radius sphere of yellow, nauseating gas centered on a point within range. The cloud spreads around corners, and its area is heavily obscured. The cloud lingers in the air for the duration.

Each creature that is completely within the cloud at the start of its turn must make a Constitution saving throw against poison. On a failed save, the creature spends its action that turn retching and reeling.

Creatures that don't need to breathe or are immune to poison automatically succeed on this saving throw.

A moderate wind (at least 10 miles per hour) disperses the cloud after 4 rounds. A strong wind (at least 20 miles per hour) disperses it after 1 round.
